

DLGMA'20 Sponsorship Agreement

Description

On behalf of the Workshop Committee of the First International Workshop on Deep Learning on Graphs: Methodologies and Applications (DLGMA'20) in conjunction with the Thirty-Fourth AAAI (Association for the Advancement of Artificial Intelligence) Conference on Artificial Intelligence, we invite you to participate in the sponsor program for DLGMA'20. The one day workshop will be held on February 8, 2020 in New York, NY, USA at the Hilton New York Midtown Hotel. The DLGMA'20 has the following confirmed keynote speakers:

- Tommi S. Jaakkola, Thomas Siebel Professor at MIT, and AAAI Fellow
- Jure Leskovec, Stanford University and Chief Scientist at Pinterest
- Michael Bronstein, Chair and Professor at Imperial College London in the UK, IEEE fellow, and Head of Graph Learning Research, Twitter
- William L. Hamilton, McGill University, Canada, and featured in The New York Times, and The BBC
- Le Song, Georgia Institute of Technology

AAAI-20 is a premier conference in the AI domain, and thus the DLGMA'20 workshop will be a great venue to attract machine learning talents (estimated ~500 top machine learning scientist based on previous workshops organized by the workshop co-chair) for recruitment and influence the industry direction such as tools or services to use.

The DLGMA'20 workshop (official site: <https://aaai.org/Conferences/AAAI-20/ws20workshops/#ws08>; supplement site: <https://dlg2019.bitbucket.io/aaai20/>) seeks sponsorship to support the following two awards:

- (1) Best Paper Awards: the program committee will nominate a paper for the Best Paper Award and a paper for the Best Student Paper Award. The Best (Student) Paper Awards will include a cash prize. Stay tuned for this year!
- (2) Travel Awards: students with accepted papers have a chance to apply for a travel award (up to \$500)

Please do not confuse DLGMA'20 workshop sponsorship with the conference-wide sponsorship. If you seek sponsorship at the conference level, please contact the main conference.

There are three levels of sponsorship:

If you plan to send a representative to the workshop, you still need to register at the main conference website and bring your printed material to the workshop by your representative. If you plan to ask the workshop organizer to distribute printed materials, please email Dr. Jing Pan (ustcpanjing@gmail.com). The fund should be sent to :
